

HYGIENE MEASURES

Your health and wellbeing have top priority for us. We want you to enjoy your time in our Playground and have, therefore, developed hygiene and precautionary measures to ensure safe workshops without worrying.

PLEASE NOTE:

- Separate entrance and route guidance to the Playground
- Large workshop area, safety distance guaranteed
- Excellent air exchange thanks to a large number of windows and an outdoor area
- Please wear a face mask when entering and leaving the building. You can remove it in the Playground and the OpenKitchen.
- As safety measures require, we will keep your personal data (first name, last name, phone number, email) for up to three weeks.
- Please follow the safety instructions on display
- Keep a minimum distance of 1.50 meters between people
- Every participant works with a marker box marked with his/her name that s/he equipped
- Our service staff do the catering and ensure that all safety measures are met during the breaks
- We disinfect surfaces and handles on a regular basis for you

We wish you a successful workshop and a lot of fun in the Neuland Playground®!

We are there for you. If you have any questions, please call us: +49 6659 88-270
And on the day of your workshop: Julia +49 151 67961638, Karin +49 170 3104012
